

OILERS WIN FROM DRUMMERS IN EIGHTH; MINERS ARE HERE TODAY

Thrilling Rally in Eighth Wins for Oilers; Morris Is Effective

Davis Leads Swatting With 3 Hits in 3 Times at Bat.

LEADERS TO BATTLE

Leaders and Runners-Up to Open Four-Game Series Here Today.

By LARRY DAILEY

The Tulsa Oilers yesterday accounted for Morris' errorless and brilliant support and by a great fighting finish overcame St. Joseph's lead in the eighth inning and won the fifth and final game of the series, 5 to 2.

After the second inning, when St. Joseph scored two runs, Morris and Luschen engaged in a great pitchers' battle until the eighth, when a savage attack by the Oilers, consisting of five hits, a pass and sacrifice and five runs scored, enough to win the game.

Morris Holds Drummers.

Joe Morris pitched brilliantly after the second inning, holding the Drummers off four solid hits. He was never in danger after the second, it was Morris' third victory in four days. The Drummers never threatened to score after the second inning.

Luschen held the Oilers to four hits in the first seven innings but the Oilers got to him in the eighth for the winning run, five of their hits in that frame going for extra bases, including two triples and a double.

Luschen received splendid backing from his playmates, the Saints' only error not being costly. Several fast fielding plays by both clubs, notably three double plays, helped keep down the score.

Sensational Game.

Fifteen hundred fans saw the thrilling eighth inning finish which enabled the Oilers to win the deciding game of the four-game series to be played over the second place Joplin Miners by four full games. It was one of the most sensational games played at McNulty park this season and the Oiler attack in the eighth was the most direful exhibited by any club here.

The Drummers scored their only two runs of the game in the second inning, the first when Shestak connected to left. Bonowitz doubled to center, Shestak scoring. Bonowitz going to second on the throw-in. Crosby's single to left scored Bonowitz.

Joe Morris started the rally that won the game for the Oilers in the eighth. Joe, first up, doubled to center. Burke walked, Graham sacrificed. McManus triple to center scored Morris. Burke, Morris, Tierney going to second. Connolly singled to left. Tierney stopping at third. Davis' triple to center scored Tierney and Connolly.

Notes of the Game

The Joplin Miners today open a four-game series with the Oilers at McNulty park. The Miners and Oilers are conceded to be the two strongest clubs in the southern end of the state, west and two of the leaders in the league and the result of this series will be watched with intense interest.

"Yank" Davis had a great day at bat yesterday, getting three hits and a base on balls in four trips to the plate. One of Davis' hits went for three bases.

"Cotton" Tierney hit hard and timely, getting two blows in four trips.

Bonowitz and Crosby hit safely twice in four times up.

Yesterday's game was exceptionally played, requiring only one hour and 30 minutes.

Holiday Made.

Especially notable in the way of brilliant fielding was Tierney's one-hand running catch of Conroy's liner in the eighth, which resulted in a double play.

Fix Steam Roller To Oust Jim Reed

CONTINUED FROM PAGE ONE. substitute. The other regular delegate from the Fifth district is Joseph E. Shannon, Kansas City.

It was said that if Senator Reed's credentials were not recognized an effort would be made by him to obtain a proxy in order to get on the floor and fight the administration plank on the league of nations. Supporters of the Wilson administration make no secret of their intention to resist Reed's efforts to participate in the convention proceedings.

Head Georgia Contest.

The Georgia contest, the only one officially filed with the national committee, probably will be considered by a subcommittee before final action is taken by the full committee. This is a fight between one set of delegates favoring A. Mitchell Palmer for president and another known as the Hoyle Smith-Tom Watson group.

Adjustment of this dispute is expected to settle the contest for national commissioners from Georgia. Clark Howell, oldest committee man in point of service to the national body, is lined up with the Palmer forces and is opposed by W. C. Verneen.

Senator Reed said here tonight that he had no statement to make regarding his status as a delegate. He said his credentials were regular and would be filed with the national committee tomorrow if they are rejected by proposed to file them with the credentials committee of the convention when appointed. Further than this he had mapped out no program, the senior added.
